

# West Somerset Railway Association

## Synopsis of the Board Meeting held on 17 July 2017

### 1. **Rolling Stock**

We heard that there were three potential purchasers for FO3131 and one for the BG and agree to seek approval from the AGM to sell these vehicles.

### 2. ***The Journal***

Arrangements are in hand for the production of the next issue. We shall consider the question of its Editorship at our next meeting.

### 3. **Membership**

We agreed to present a paper on the way forward for informal discussion by the membership after the AGM.

### 4. **Board Membership**

We note that only one member (Rodney Greenway) had been nominated. We agreed that if we wished to co-opt anyone in order to enhance the skillset of the Board, we should determine that before the AGM, and report our decision to Members.
