

West Somerset Railway Association

Synopsis of the Board Meeting held on 30 August 2017

1. **Taunton Model Engineering Club**

We heard a presentation from the Chairman of this Club on their request to relocate their two miniature railways to Norton Fitzwarren. We agreed in principle to this proposal and to progress it urgently.

2. **Chairman WSR plc**

Alan Nicholson attended our meeting and told us of his determination to ensure that all on the railway worked towards the common goal of improving and sustaining it.

3. **Actions against Former Trustees**

Counsel's opinion will be available in time for the AGM.

4. ***The Journal***

Three people have offered to take on the editorship. There will be a meeting to discuss the way forward on 29 September.

5. **Future of WSRestoration**

Draft Heads of Terms on the future of Williton had been provided to WSR plc, which would be considering them at their Board Meeting on 15 September.

6. **Steam Rally**

We were delighted to note that income on the day for the rally approached £80,000 and record our thanks to all the people who put so much effort into making the event such a success.
