

West Somerset Railway Association

Synopsis of the Board Meeting held on 18 December 2018

1. Carriage Shed

Robin White and Chris Austin will be having a site meeting with Network Rail in late January 2019.

2. Support for the Plc

We agreed to offer a grant of £20,000 to the Plc towards the cost of refurbishing the loading siding at Bishops Lydeard, so that our own engines may be transported, and visiting engines brought in. We also agreed to discuss with the Plc how best we can help them with their priorities, within our limited resources.

3. Station Signs Castings

We hope to run a crowdfunding exercise for these in the New Year.

4. Raffle

We agreed to run a raffle on trains throughout the 2019 operating season.
