3rd April 2019

ERRATA

The Trustees Annual Report 2018 includes the statement:

The Plc has agreed that from April 2019 all members will receive one free day's travel throughout the line, and 50% discount on all other tickets purchased.

I regret that this is inaccurate. This is what we were discussing with the Plc, which wishes to work closely with us, but is precluded by its current financial position from allowing any further discounts at present.
