

West Somerset Railway Association

Synopsis of the Board Meeting held on 18 February 2020

- 1. Fundraising:** We congratulated Jacquie Green on negotiating a successful sponsorship agreement with Mailadoc.
- 2. Talks to Local Groups:** our first venture into this, with a presentation devised by Robin White and delivered by Geoff Garfield, has produced a donation of £350 and the likelihood of more ticket sales.
- 3. Warflat:** We agreed that this should be offered to the Wagon Restoration Group in the first instance, and then more widely. We note that it cannot be disposed of without members' approval.
- 4. Community Engagement:** We congratulated Catherine Dance on the success of the Brunel K Beagle Train Play Club, which has established connections in parts of Bridgwater which had been difficult to reach.
- 5. Chairman:** Paul Whitehouse informed us of his decision to resign as a Trustee (and therefore as Chairman). We thanked Mike Sherwood for offering to act as Chairman until the AGM in July.
